

The Live & Work Rural revenue grant is available if all other relevant funding has been considered and your project can benefit the Peak District National Park environment. This means, wherever possible, your project needs to:

- ✓ use the Peak District National Park landscape in a sustainable way
- ✓ source products from the Peak District National Park
- ✓ join networks e.g. Peak District Foods, Environmental Quality Mark
- ✓ help create or sustain local jobs
- ✓ reduce your carbon and water footprints

Grants are typically **40%** of total costs up to a maximum payment of **£3,500**.

### What costs are eligible?

- ✓ Examples of eligible revenue expenditure include start-up costs, patenting, feasibility studies, marketing, product design, bespoke training, small-scale machinery and equipment

### Contact us for a free consultation:

Call: the Live & Work Rural team on **01629 816338**

Email: **liveandworkrural@peakdistrict.gov.uk**

Write: **L&WR Enquiries, Aldern House,  
Baslow Road, Bakewell,  
Derbyshire DE45 1AE**

helping turn your ideas into  
reality the greener way, saving  
costs and the environment

Contact us if your idea could create economic, environmental or community benefits for the Peak District.

## Live & Work Rural programme area

Check the map opposite or look at the more detailed map at [www.peakdistrict.gov.uk/liveandworkrural](http://www.peakdistrict.gov.uk/liveandworkrural) to see if you are in the Live & Work Rural programme area and are eligible for support. Contact us if you're not sure.

We can help you with:

**Developing Ideas** - got an idea buzzing around but need help pinning it down?

**Green Solutions** - help you reduce costs and help protect the environment

**Live & Work Rural Grant** - small revenue grants to help kick-start your idea

**Networking** - help you link up with local groups to develop your ideas and tackle issues

**Local Experience** - encourage people to use their business skills for community action

### Award for green businesses

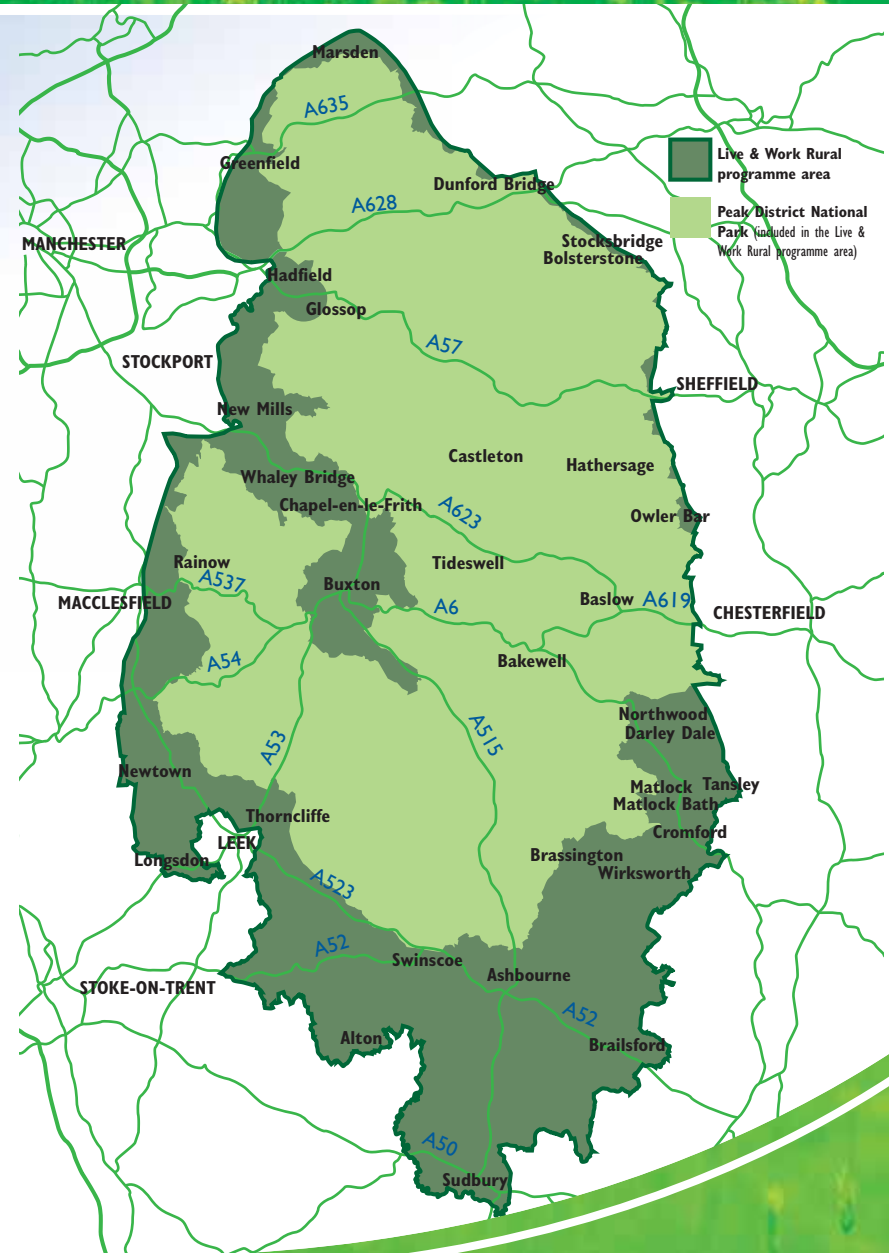

Could your business achieve the Environmental Quality Mark?

If you work to high environmental standards and help look after the Peak District, or want to be greener, then we offer advice and support to help you gain the award.

Benefits to businesses:

- Gives distinction to products and services
- Helps reduce running costs through careful use of natural resources
- Boosts customer confidence in businesses that care for the environment
